OBJECTIVE

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

EDUCATION

Sri Manakula Vinayakar Engineering Colege Puducherry   **2019-2023**

B.tech in mechanical engineering

CGPA: **7.9/10**

VOC Government Higher Secondary School Puducherry   **2018-2019**

12th STD

Percentage: **67.5/100**

Fatima Higher Secondary School Puducherry   **2016-2017**

10th STD

Percentage: **87/100**

PROJECT

➤ **Accident prevention, detection and reporting system**

By using sensors, GPS module and GSM module we done a accident prevention and detection with aurdino codes. When the accident occours with help of GPS and GSM module make phone call along with live location. By using this system we reduce accident rate and save pepols life.

➤ **Design and fabrication of three axis pneumatic mordern trailer**

this trailer is dumping in three side with help of pneumatic cyclinder. By pressing the direction control valve activated. The compressed air is goes to the pneumatic cyclinder acts as a lifting the trailer cabin. Which is used easy to unload in required direction.

CERTIFICATION

- Certificate in **FRONT END WEB DESIGNING** institute of Edusphere Solution **(2023)**
